

We are a team of more than 500 co-workers in over 50 countries. We develop innovative, sustainable and future-oriented products and services for timber building. We are a family business that works on a global level, with an alpine heart and an international spirit. We support our customers wherever they need us.

To strengthen our team, we are looking for (m/f):

Technical Sales Consultant

Malaysia

WHAT WILL YOU BUILD YOUR SUCCESS ON:

- Provide advice and technical support to customers on our products for timber construction and fall protection systems
- Do on-site inspection
- Connect our customers and technical support in headquarter for our customers' projects
- Plan visits and follow up on proposals
- Be present at marketing events, timber and safety sector exhibitions
- Do customer training and visits
- Analyse and develop the market for long term establishment in the area

THE FUNDAMENT OF YOUR CAREER:

- Knowledge in risk prevention, fall protection systems or work at height
- Experience in sales, especially in construction sector is an advantage
- Good knowledge of English, both written and oral
- Willingness to travel in other areas in Malaysia and from time to time to neighbouring countries
- Willingness to travel overseas to our HQ in Italy for training purposes
- Valid driver license and valid passport
- Freelancer with own company
- Knowledge and use of Autocad
- Preferably living in Kuala Lumpur area

WHY YOU SHOULD JOIN US:

- We are international and curious about the unknown
- We live in an energetic, dynamic, lively and unconventional environment
- We have the constant opportunity to experiment and improve
- We have fun and are successful too
- We give our best to guarantee a sustainable lifestyle in a positive and supportive environment

Moreover, you'll find an in-depth training, a modern work equipment and various other benefits.
We will accept only CVs in English
