PIC790	317	12 1/2	600	1.32	950	2.09	1

PICARD 600

A CLASSIC

- The specially developed two-component plastic securely bonds the handle to the grip, ensuring safe use
- For even greater safety, the head is fastened to the handle by a tempered steel pin in place of the common elastic dowel
- Flat smooth head, also available with knurled surface on request
