

HZB

HBS bound screws

Carbon steel with white galvanic zinc coating

FAST INSTALLATION

Quick and precise installation

SERIAL ASSEMBLY

Fast and safe execution thanks to the special binding

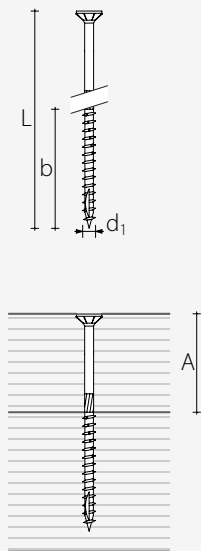

SPEED AND QUALITY

The excellent mechanical and geometric performance of the HBS screw is ideal for fast, serial assembly in the bound version

HBS COLLATED

Highly ductile and resistant steel with special asymmetric "umbrella" thread and very sharp underhead ribs

Codes and dimensions

d_1 [mm]	code	L [mm]	b [mm]	A [mm]	pcs/pkg
4 TX20	HZB430	30	16	14	3000
