Available in different configurations on request. It is possible to customise the mass per unit area of the membrane, the amount of acrylic glue, the size and the pre-cut of the liner. Download the full data sheet at www.rothoblaas.com.

FAST INSTALLATION

The fully self-adhesive surface of the membrane allows fast and safe installation without compromising performance.

CONSTRUCTION SITE

During construction, it is essential to protect the structure, especially if the architectural design foresees that the wood remains visible in the finished building.
